Pursuant to the Rules of Procedure, a pre-application conference was held on June 7, 2006, in Lafayette, Louisiana at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the units being requested. Questions were asked and answered. One counterplan was presented by a landowner representative, suggesting a somewhat different configuration. Differences could not be resolved at the conference, which was then adjourned. Since the conference, the applicant and only party presenting a counterplan have resolved differences, resulting in the compromise units shown on the plats attached hereto. The applicant is not aware of any remaining opposition. Should any party wish to consult regarding the revised unit proposals, please notify the undersigned.

Attached hereto and made a part hereof are plats, the conference attendance list and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$1,510.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,
